*Most classes require participants to guarantee registrations with a credit card before a registration can be completed. Invoices must be paid no later than 30 days after the completion of the class or the credit card on file will be charged for the tuition. All classes are limited enrollment and registrations are processed on a first-come, first-served basis. Tuition includes a non-refundable \$100 registration fee. Because the class space is limited to just a few people, no refunds or transfers will be given within 14-days of class start date. Participants may transfer to a future class after a \$100 transfer fee is received in our office as long as at least 14 days advance notice is given by participant. No-shows and/or participants who cancel within 14 days of the class start date will forfeit all tuition paid.
